What is inside this pack

- **2023 — Part-I, Session I: full question paper** (PDF) — all 100 questions, English, transcribed from the official booklet, Series A.
- **2023 — Official answer keys** (PDF) — all four sessions, all four booklet series, plus a quick self-check grid for Session I.
- Direct links to every official WBPSC paper and key PDF (below).

> **How this pack was made.** Nothing here is a “memory-based” paper. Each question and each answer was read from the PDFs hosted on the Commission's own website, and the transcriptions were cross-checked against the official answer key (a mismatch would have shown up as a wrong answer on 99 objectively verifiable questions). The scan/OCR layer of the official PDF is imperfect, so the English text has been cleaned up — wording, options and numbering are unchanged.

Result and cut-off of this cycle

Category	Qualifying marks in Part-I (out of 100)
General	49
OBC-A / OBC-B	48
SC	47
ST	29

89,821 candidates qualified in Part-I and were called for Part-II, held on 28 December 2025. The cut-off above is only the **qualifying** bar; the final merit list is drawn on Part-I + Part-II taken together, so a high Part-I score still matters.

How to use the 2023 paper

1. Sit the paper in one 90-minute block, OMR-style: 1 mark each, −0.25 for a wrong answer, no penalty for a blank.

2. Score with the Series-A grid in the answer-key file. Anything above the General cut-off (49) is a pass, but aim for 70+ so that Part-II carries less pressure.
3. Tag every mistake by topic — English grammar/vocabulary, static GS, current affairs, arithmetic — and note that after Q.30 the General Studies and Arithmetic questions are interleaved, so you cannot “switch off” between sections.

> **Authenticity.** This pack reproduces the Commission's own question paper. It is not affiliated with WBPSC. Always cross-check the wording against the official PDF before relying on a question for a dispute, and remember that the provisional key was open to objection until 05.01.2025 / 27.02.2025 (session-wise).

Compiled from psc.wb.gov.in. English transcription only; the official booklets are bilingual (English + Bengali).
